Dear Board Members,

I have attached a copy of the interim transitional budget which will get UNWC through to the end of this year, as we transition from a fiscal to calendar year. Please note that the total budget amount of \$30,605 is in addition to our regular, annual budget which was approved at the last meeting for the calendar year 2022. Our finances may get a little tight at the end of 2022, but we won't need to spend the entire interim budgeted amounts, so I believe UNWC will remain fiscally sound, with no serious issues.

Please let me know if you have any questions. For right now, I'm in the office all day on Mondays.

Susan Spicer Pond

Office Administrator, UNWC
